CO-CURRICULAR PROGRAMME

Each term, students are able to choose a variety of activities which are timetabled within the school day on Tuesday, Wednesday and Thursday.

"I was drawn to Box Hill School because of the co-curricular activities programme. The variety definitely makes this the best place to study! The activities are a great chance to meet talented people from other year groups that we don't normally see in the school day."

- Selina, current student

"I have joined Drama Production which is the best experience! Through dance, music, and theatre I created some beautiful friendships and memories."

- Anne, current student
